

# Your journey to clear skin starts here.

Follow the steps below to maintain your routine.

Use AM & PM

## Skin Smoothing Exfoliator

Exfoliate away dirt, oil, and skin-clogging impurities.

- Apply a quarter-sized amount to dampened skin.
- Gently massage in a circular motion for 1-2 minutes.
- Rinse thoroughly with warm water and pat dry.

Use AM & PM

## Pore Targeting Treatment

Deliver acne-fighting medicine directly to your pores.

- Apply a dime-sized amount to clean, dry skin.
- Gently smooth over entire face — do not rinse off.
- Allow to fully absorb before proceeding to Step 3.

Use AM & PM

## Complexion Perfecting Hydrator

Combat dryness and help improve texture and skin tone.

- Apply a quarter-sized amount to dry skin.
- Gently smooth over entire face — do not rinse off.
- Allow to absorb. Reapply throughout the day if needed.
- If going outside, be sure to apply an SPF of 30 or higher.

Check out some of our favorite routine boosters below.

Unclogs pores

## Re-Texturizing Toner

This alcohol-free toner contains salicylic acid and glycolic acid to help unclog pores, promote healthy cell turnover, and even out skin's tone and texture.

Spot treat on the go

## Emergency Blemish Relief

An invisible spot treatment designed to speed treat problem pimples, this tiny tube contains a powerful dose of 5% benzoyl peroxide.

Deep cleans skin

## Skin Purifying Mask

Fight breakouts and tame oily skin. Made with acne-fighting sulfur, this 10-minute mask acts like a magnet to pull impurities out of your skin.

5-minute mask

## Blackhead Dissolving Gel

Say goodbye to clogged pores with this quick treatment mask. Just five minutes and this salicylic acid formula goes to work on those breakouts.

# Customize your kit.

As your skin changes, so should your routine. That's why we've made it easy for you to customize your shipments, so they're tailored to what's right for you.

1

Log in to the member site, go to My Account > Customize My System.

2

Scroll through to select & click "Add To System" under the products you want.

3

Review your next shipment under "Manage System" & "Save Changes."
