

Your journey to clear skin starts here.

Here's how to use your Proactiv Solution® system.

Use AM & PM

Renewing Cleanser

Wash away dirt and oil while killing acne-causing bacteria.

- Dampen face and gently massage a dime-sized amount into skin for 1 to 2 minutes.
- Rinse thoroughly with warm water and pat dry.

Use AM & PM

Revitalizing Toner

Sweep away debris and deep clean pores.

- After cleansing, apply a thin layer with a cotton ball or pad and allow to dry.
- If going outside, use a sunscreen with SPF 30 or higher.

Use AM & PM

Repairing Treatment

Treat active breakouts and prevent new acne from forming.

- After cleansing and toning, apply a thick layer to the entire affected area.
- Allow to dry, do not rinse off.
